Bullying

Bullying is the deliberate hurting, persecuting or intimidating of another person. Bullying is a persistent and repeated pattern of behaviour chosen by the instigator. It is completely against the school's aims, values and ethos and will therefore be dealt with firmly. Bullying, whether physical or emotional, is taken very seriously by the school and we have an established 'Anti-Bullying Policy'. We work to STOP Bullying:

We frequently talk to pupils about bullying in our PSHCE work and give them strategies for dealing with being bullied and recognising bullying behaviour in themselves. At all times pupils are given opportunities to talk about worries or problems. We are working towards achieving the Positive Peaceful Playground Award

The Behaviour Management Policy is available to read in school.

Positive Behaviour Management

Queensmead Primary Academy is a community. The staff and Academy Advisory Council believe that the personal and social development of pupils is as important as their academic progress. Our behaviour policy, as well as the work with UNICEF in holding the Rights Respecting School Award and the Personal, Social, Health & Citizenship Education (PSHCE) curriculum, are designed to help pupils understand how being part of a community involves duties, rights and responsibilities.

The aims of our Behaviour Policy are to:

- Promote Good Behaviour
- Promote Positive Attitudes
- Develop Moral Codes and Values
- Prepare Pupils for Citizenship
- Make sure that everyone feels safe and secure in school.

Achieving our Aims

The ethos of the academy and the community: close working relationships are developed between all members of the school community which are founded on mutual respect, trust, care, consideration and tolerance.

High Standards of Teaching and Learning: pupils are given a clear sense of purpose and achievable targets in their learning.

The active involvement of pupils in the life of the school: we offer pupils the opportunity to be involved in the decision making in the school through:

- The School Council
- PSHCE Curriculum
- The ECO Warriors
- Peace Keepers
- Routes to Resilience Representatives
- Sports Leaders
- Purple Pounds System

Our Policy and Framework

The policy is shared annually with pupils and staff.

We believe that good behaviour management in our academy starts with the principles of good classroom management. Our sanctions work alongside the rewards and recognition outlined in this booklet. This framework has been adopted by all members of the school community – teachers, TAs, support staff and lunchtime supervisors. We have a ‘stepped’ approach to behaviour management where a range of sanctions will take place at each step. Before we apply the steps two processes take place:

- (1) Non-verbal management (eye contact, pausing, moving closer to the pupil)
- (2) General reminders and comments – either individual or whole class. Verbal Warning.

Step 1

INCIDENT 1

- 5 minutes ‘Time Out’ in own classroom.

Step 2

INCIDENT 2

- Time out with ‘paired classroom’ (10 minutes reflection whilst working).

Step 3

INCIDENT 3

- 15 Minute Lunchtime or Playtime Detention.
- If a child reaches Step 3 twice within two weeks, the learning mentor will telephone home to informally discuss concerns with parents, if further detentions are received within two weeks a letter will be sent home inviting parents in for a meeting.

Step 4

INCIDENT 4

- 30 Minute Lunchtime Detention
- Class teacher will inform the parents.
- If a child reaches Step 4 twice within two weeks, the learning mentor will telephone home to informally discuss concerns with parents, if further detentions are received within two weeks a letter will be sent home inviting parents in for a meeting..
